

Ten Facts about Sunny Hill...

1. Sunny Hill is a "home" in the best sense of the word.

Situated on 40 wooded acres, Sunny Hill offers a peaceful setting, where residents can concentrate on getting better. And, with Interstate 80 less than a half-mile away, Sunny Hill is accessible from all parts of the County and region.

2. RN Supervision 24/7.

Sunny Hill Skilled Rehab Center has Registered Nurses on duty, on-site, 24 hours a day, seven days a week.

3. Superior Rehabilitation Therapies.

Whether it's respiratory, speech, occupational or physical therapy, Sunny Hill offers full-time specialists on site, seven days a week.

4. Low per-day cost.

If a resident needs additional care after Medicare or insurance supplements expire, Sunny Hill offers the lowest out-of-pocket cost available. Sunny Hill also accepts public aid recipients and helps with the application process.

5. Modern, high-tech facilities, systems and therapies.

Sunny Hill is fully equipped with the latest medical technologies available to skilled care facilities.

6. Consistent, high evaluations.

In annual surveys, Sunny Hill consistently receives high marks from doctors, residents, residents' family members, staff and the community.

7. Active Volunteer Organization.

Sunny Hill remains one of the only skilled care facilities with an active volunteer organization. The "Friends of Sunny Hill" is an award-winning organization that contributes to a high quality of life for residents by active involvement in fund-raising events.

8. Dedicated, Caring Staff.

It is not uncommon for Sunny Hill employees at all levels to remain for 20 years and more. Low turnover means greater resident comfort, satisfaction and care.

9. Over 350 Activities Per Month!

Under the leadership of a full-time Activities Director, Sunny Hill Residents can choose from wide variety of events and activities, including daily excursions in Sunny Hill's bus.

10. Sunny Hill Skilled Rehab Center is Will County's best kept secret.

As a not-for-profit unit of County Government, Sunny Hill is the choice for quality skilled care.

It is so nice to know that there are plenty of activities; that residents aren't just sitting.

Mary Diane Knox

Because of their concern for the comfort and well being of Mother, our family is proud to have the staff of Sunny Hill as a part of the Drdak family.

Paul Drdak

Former Will County Board Member

My sister and I want to express our deep appreciation to the staff of Sunny Hill for the care given to our mother who passed away...after having been a resident for nearly four years.

Bernadine A. Cryer

You all have made me and my family feel as though this was our home, too.

Jackie Gecan

"Mom was so well taken care of by nurses aides and nurses on all three shifts. It really means a lot to families. They are angels."

Shirley DeCampi
